### Advertising Strategies

The important thing that unlocks the sales potential of your e-book is to find a single sentence that becomes your selling handle. Another strategy is to check out costs by making a number of duplicate sales pages with different prices on every page. Make sure that your

sales copy is strictly the similar on each page, and includes your selling-deal with sentence. Then figure out for every page the conversion ratio between guests to your website and gross sales of your book. This may tell you what your optimum value is.
