reminiscent of a precious bonus item. Or bundle several ebooks under one value, which lowers the price for every ebook in the event that they were offered separately.

One other technique is to test out prices by making a number of duplicate gross sales pages with different prices on every page. Be sure your sales copy is strictly the identical on every page, and includes your

promoting-handle sentence. Then work out for every web page the conversion ratio between visitors to your web site and sales of your book. It will inform you what your optimum value is.
