Do this by making a gross sales page for the new guide, but do not embrace a price on that page. As a substitute, add numerous links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other strategy is to check out prices by making a number of duplicate sales pages with different costs on every page. Make sure

your gross sales copy is exactly the same on each page, and consists of your selling-deal with sentence. Then work out for each web page the conversion ratio between visitors to your web site and gross sales of your book. This will let you know what your optimum value is.

In the end, in the event you've written a ebook that solves a drawback or presents a new method, your guide will usher in both visitors and profits.
