price. Do that by making a gross sales web page for the new e-book, but do not embody a value on that page. As an alternative, add a variety of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other strategy is to test out prices by making a number of duplicate sales pages with completely different costs on each page. Ensure that your gross sales copy is precisely the same on every web page, and contains your promoting-deal with sentence. Then figure out for each web page the conversion ratio between guests to your web site and sales of your book. This can tell you what your optimum value is.

Finally, for those who've written a e book that solves a downside or presents a new method, your book will bring in both traffic and profits.
