Do this by making a sales page for the new ebook, but do not include a worth on that page. As a substitute, add a lot of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to test out costs by making a number of duplicate sales pages with completely different prices on each page. Make sure your sales copy is precisely the same on every web page, and includes your selling-deal with sentence. Then figure out for every web page the conversion ratio between guests to your website and gross sales of your book. This may inform you what your optimum value is.
