price. Do that by making a gross sales web page for the brand new e-book, however don't embrace a worth on that page. Instead, add plenty of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Be certain that your gross sales copy is precisely the same on each page, and includes your promoting-deal with sentence. Then figure out for every web page the conversion ratio between visitors to your web site and sales of your book. This will let you know what your optimum worth is.

Ultimately, if you happen to've written a ebook that solves a drawback or presents a brand new approach, your e book will usher in both visitors and profits.
