explicit downside reasonably than common advice, then you may cost more. Begin on the highest price the market will bear to bring in the largest profits, and plan to discount the ebook a variety of occasions all through the year.

Do this by making a gross sales page for the brand new e-book, however do not include a worth on that page. As an alternative, add a variety of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other strategy is to test out prices by making a variety of duplicate gross sales pages with different prices on each page. Be sure that your sales copy is strictly the similar on every web page, and consists of your promoting-deal with sentence. Then determine for every page the conversion ratio between guests to your web site and sales of your book. This can inform you what your optimum value is.

In the end, if you've written a e book that solves a drawback or presents a brand new technique, your e-book will herald each visitors and profits.
