If these prospects have already purchased an ebook from you, ask for his or her opinion when it comes to price. Do that by making a gross sales page for the new ebook, but don't embrace a value on that page. As a substitute, add quite a few links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to test out costs by creating a variety of duplicate gross sales pages with completely different prices on every page. Be certain that your gross sales copy is precisely the same on every web

page, and consists of your promoting-handle sentence. Then work out for every web page the conversion ratio between guests to your web site and gross sales of your book. This may inform you what your optimum price is.
