Do this by making a gross sales page for the new ebook, but don't include a worth on that page. As an alternative, add various links to survey questions that ask

pointed questions to aid you in assigning a value to your ebook.

Ensure that your sales copy is strictly the similar on every web page, and contains your selling-deal with sentence. Then determine for every page the conversion ratio between visitors to your web site and gross sales of your book. It will let you know what your optimum value is.
