assigning a worth to your ebook.

Another technique is to check out prices by creating a variety of duplicate gross sales pages with completely different prices on each page. Ensure that your sales copy is exactly the same on every web page, and contains your selling-handle sentence. Then determine for each web page the conversion ratio between visitors to your web site and sales of your book. It will let you know what your optimum worth is.

Finally, if you happen to've written a guide that solves a downside or presents a new method, your e book will usher in both site visitors and profits.
