An efficient technique for determining a price is to ship out a survey to your present customers. If these clients have already purchased an ebook from you, ask for his or her opinion by way of price.

Do this by creating a gross sales web page for the new ebook, but do not include a value on that page. Instead, add numerous links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Be sure that your gross sales copy is strictly the identical on every page, and contains your selling-handle sentence. Then figure out for each page the conversion ratio between guests to your site and sales of your book. It will tell you what your optimum price is.
